

Frequently Asked Questions about the Virtual Pear Blossom Run

1. Runners can register for either the 5K or 10 Mile Run at www.pearblossomrun.com
2. Runners can choose any 5K (3.1 Mile) or 10 Mile course. They can also run inside on a treadmill. We do NOT recommend using the actual Pear Blossom Run courses.
3. Virtual Pear Blossom Run race bibs will be mailed to every registrant beginning April 6.
4. Runners may run as often as they like within the "open" time frame of April 11 through April 30 and submit their best time. We believe runners are some of the most honest people and we will be using the honor system to record finishing times.
5. Runners will log on to <https://pearblossomrun.enmotive.com/events/register/2020-pear-blossom-run/> to record their final time.
6. There will be several prizes and contests for both the 5K and 10 Mile including:
 - Fastest time
 - Most elevation gain
 - Most weight pushed in a stroller
 - Cutest 4 legged running partner
 - Best costume
 - Participating from the furthest away from Medford
 - Youngest runner
 - Oldest runner
 - Most years competed in the Pear Blossom Run
7. There will be a social media campaign where we can all connect virtually by sharing our photos, supporting each other, and encouraging healthy activity all while practicing social distancing. Please use our social media platforms:
 - <https://www.facebook.com/RogueValleyFamilyYMCA/>
 - <https://twitter.com/RVfYMCA>
 - Or find us on Instagram #rvfymca
8. Finisher packets will be available May 4 through 9 and will include a finisher medal, shirt (if purchased by April 11) and other goodies.
9. Please share this event with the runners in your life and remember they can participate from anywhere in the world.
